Personality Development Programme

A program on Personality Development by Mr. Syed Noor Mohd. Shakir was arranged on 21-10-2011 in Dasari Auditorium for I B.Tech students.

Mr. Syed Mohd. Shakir who is visually challenged from the age of 5 has the rare distinction of amazing memory which has helped him to get over the physical deficiencies and to emerge as an expert in communication skills and personality development.

He enthused the students to strive hard to succeed in life. “To achieve success, everything needn’t be perfect, just learn to look beyond your imperfections. I did it.... You too can” – said Shakir while addressing the students. He enthralled the students by demonstrating his memory skills.

The students heard Mr. Shakir with rapt attention and were richly benefitted by his tips on improving memory skills and personality development.
