A three-day Faculty Development Program on “Recent Trends and Research Perspective in Data Warehousing and Data Mining”

The three-day Faculty Development Program on “Recent Trends and Research Perspective in Data Warehousing and Data Mining” was inaugurated by Dr. Shyam Kumar Gupta, Chair Professor, Dept. of CSE, IIT, Delhi on 30-03-2013 at 10.00 AM. A keynote speech was delivered by the resource person, Dr. Shyam Kumar Gupta on the topic of the Faculty Development Program. A Total of 46 external participants and 33 internal participants registered for the program.

During the First day (30-03-2013) of the program key note address was delivered by the speaker on various issues related to research on Data Warehousing and Data Mining. The session in the afternoon was delivered by Dr. D.V.L.N. Somayajulu, Professor & Head Dept. of Computer Science and Engineering, NIT, Warangal on Privacy in OLAP systems. They provided valuable information to prospective researchers.

On day two (31-03-2013) of program Dr. B. Ramdoss, Professor & Former Head, Dept. of Computer Science and Engineering, NIT, Trichy discussed different issues on Patterns in Data mining, followed by Dr. P. Radha Krishna, Principal, Research Scientist, Infosys, Hyderabad, elaborated a session on BigData-NoSQL. The final session of the day was delivered by Dr. S. Viswanadha Raju, Professor of CSE, JNTUHCE, JNT University, Hyderabad.

The third day (01-04-2013) of the program by Mr. M. Vidyasagar, Project Lead, Syntel Corporation, Chennai, highlighted the importance of Informatica in the present scenario. THREE Internal Experts from Dept of Computer Science and Engineering, Mr. Shaik Salam, Mr. A.V. Sriharsha, and Dr. P. Bhargavi delivered few sessions on the topic of the Faculty Development Program during these three days.

Outcomes:
- Enrich the knowledge of the Faculty and Research Scholars in the area of Data Mining and Data Warehousing.
- The Participant will apply core concepts for their research.
- The participant will be able to learn new trends in the area of the subject.
- Program benefits the faculty teaching subjects related to Data Mining and Data Warehousing.
Inaugural Session being attended by Keynote speakers and other dignitaries

Dr. Shyam Kumar Gupta, Chair Professor, Dept. of CSE, IIT, Delhi delivering keynote address
Dr. D.V.L.N. Somayajulu delivering session

Dr. S. Viswanadha Raju in his session
Dr. B. Ramdoss delivering the topic in session

Dr. P. Radha Krishna delivering the session
