Faculty Development Program on
“Instructional Design and Delivery System”

Padma Shri Dr. M. Mohan Babu, Chairman, Sree Vidyanikethan Educational Trust inaugurated three-day training programme by National Institute of Technical Teachers’ Training and Research (NITTTR), Chennai on 19-12-2011 under Faculty Development Programme at Sree Vidyanikethan Engineering College. In his inaugural address, he emphasized that the teachers should understand the psychological background of the students and impart education effectively through modern methods of teaching. Prof. T. Gopala Rao, Special Officer advised the teachers to update their knowledge regularly since teachers are students for ever. He said that there is a felt need for teachers to improve their teaching skills through the training programmes offered by Professional Agencies like the NITTTR.

Dr. V.P. Siva Kumar and Dr. G. Janardhanan of NITTTR, Chennai also addressed the teachers. Dr. I. Sudharshan Kumar, Chief Operating Officer; Dr. P.C. Krishnamachary, Principal; Prof. N. Girish, Coordinator of the Programme; Heads of Department and faculty members participated in the programme.
