Inauguration of Short Term Faculty Training Programme

A six-day Short Term Faculty Training Programme on “Programming in C and Data Structures” sponsored by APSCHE, Hyderabad; jointly organized by JNTUA Anantapur and Sree Vidyanikethan Engineering College during 03-08 September 2012 was inaugurated by Prof. B. Uma Maheswar Gowd, Rector, JNTUA, Anantapur on 3rd September, 2012 in Sree Vidyanikethan Engineering College.

In his inaugural address he emphasized the need for teachers to improve their teaching skills by updating their knowledge in the subjects concerned besides learning the basics of teaching methodology and pedagogy. He advised the participants not to go beyond what is established but go deep into the details of concepts. He appreciated the time constraints on the part of the teachers in completing the syllabi. However, he felt that the teachers have to manage the time and complete the syllabus in all respects to enhance the employability of the students. He also advised the Managements and the members of the faculty to own up their responsibility of providing quality education and erase the impression in the public that the quality of engineering education is receding.

Dr. P.C. Krishnamachary, Principal; Dr. V.V. Rama Prasad, Vice-Principal & Coordinator of the programme; Deans, HODs; and Members of Faculty participated in the inaugural function.

About 71 participants from various Engineering Colleges in Chittoor and Nellore Districts are participating in the six-day Faculty Development Programme.
