130 Students get placements in WIPRO Technologies

Prof. T. Gopala Rao, Special Officer expressed his happiness on the selection of a whopping **130** of its students by WIPRO Technologies for placement at one go in the recruitment drive conducted for three days (21-23 September 2012).

He congratulated the selected students with rural background on their splendid performance. He attributed the success of the students to the interest evinced by all the stakeholders and excellent teaching-learning environment in the College.
