Dear Parent,

Welcome to the first edition of a Newsletter in SVIS-2015-16. We are delighted to report that we are ensuring a very positive start to the new academic (2015-2016) year at Sree Vidyanikethan International School under the stewardship of our new Principal Mr. Alexander Coates Reid. Miss. Manju Joshi has joined us in the post of Vice – Principal of Home Affairs to develop the boarder’s personal and professional front. She is a leader and inculcates strong leadership qualities in the students.

The Principal has connected all the communicative systems of bringing all departments under one umbrella. In a child's school years, there will always be a need to communicate with the school - the teachers, administrators, and others concerned, regarding your child's futuristic development. This is particularly true when your child is in his/her course of learning. We are here to update you with all proceedings of the school, henceforth through our website you will be able to connect and reciprocate positively will all concerning departments.

**Future Academics**

This Academic year has begun with novel teaching methodologies to enhance and ensure the learning process of your child. Every session is ensured with well-planned learning device. The classes will be vibrant and activity oriented. It is based on continuous and comprehensive evaluation, where all students are given open opportunities to explore his/her learning through assessments like FAs and SAs. The Formative assessments are purely based on individual activity, group activity, pen and paper, class work and home work in accordance with specific criteria set by the school. This will enable your child to secure regularity and skill in obtaining marks for his/her excellent performance.

**Weight of School Bags**

To develop the right posture in our students we have introduced a plan to reduce the weight of their bag. A notice was sent with the details and instructions on 1st April, 2015 to be followed. Please find and ensure your ward follow the same.

If parents must cooperative and assist their child to follow this development, it would drastically help them to adorn a new posture.

The school ensures a holistic approach to develop every child, where they are encouraged to participate in sports and games. To face the challenges of the present competitive world. We boost them to participate in extra-curricular activities throughout the year.

**Inter House Calligraphy Competition.**

It was conducted on 18th April for class IV to X. Certificates and prizes were awarded to the students.

**Entertainment Evening.**

It was held for the boarders in the school main stage. This enabled them to have fun and frolic. It made them feel at home.

**School Uniform.**

The school uniform is an important part of every student’s identity. Please ensure that your ward comes to school properly dressed with well-polished shoes.

**Home Work.**

The Holiday Assignment is uploaded on the website. It is mandatory that your ward completes his/her home-work assignments in every subject. The completed assignments should be submitted on the same day to his/her respective subject teacher without fail. Marks will be allotted accordingly. These marks will be added to the Formative Assessment- I.

**Re - opening Day:**

The School reopening for all Boarders on 14th June, 2015 and Day Scholars on 15th June, 2015. All students must report in complete uniform.
