A Guest Lecture on

“CAUSES AND PREVENTION OF COMMUNICABLE DISEASES”

Dr. Y.Raghava Reddy, Consultant Medical Officer, SV University Health Centre delivered a guest lecture on Causes and Prevention of communicable Diseases on 22.04.2014, at 3:00 PM in EDC Conference Hall.

Mrs. T.Lalitha Kumari, Lecturer, HOD Department of Mental Health Nursing introduced the guest highlighting his academic record and significant achievements. She expressed her gratitude to the Chief Guest on behalf of management, Principal, SVCN; Prof. E.Sathyanarayana, Principal, SVDC; faculty and students for accepting to deliver the expert lecture.

*Introductory speech by Mrs. T.Lalitha Kumari, Lecturer*
Dr. Y. Raghava Reddy in his lecture emphasized the importance of nursing profession in medical care by meeting healthy and congenial environment for the patients. They have a more responsible role than the doctors in treating the patients.

He explained in detail about the disease process and care to be provided to the patients suffering with malaria, typhoid and tetanus.

He concluded his lecture by listing out the simple health tips to be followed for healthy living.

Dr. Y. Raghava Reddy, Addressing the students

Dr. S. Anuradha, Principal expressed her gratitude to the guest for spending his valuable time for giving lecture and she also thanked Prof. E. Sathyanarayana, Principal, SVDC in taking initiative for arranging the guest lecture. She suggested to the students to implement all the scientific methods in treating patients suffering from communicable diseases.
After the guest lecture, Dr. Y. Raghava Reddy was felicitated by Prof. E.Sathyanarayana, Dr. S. Anuradha, and the members of faculty.
Mrs. G.Renuka, Assistant Lecturer proposed a vote of thanks. She thanked the guest for his informative and beneficial lecture and also conveyed her regards to the guest on behalf of the Principal, faculty and students.

The programme ended with the National Anthem.
