We believe in  
character and discipline first,  
then in education

The background of the page features a blurred photograph of students in a classroom. On the right side, the back of a girl's head with a braid and the heads of two boys are visible. They appear to be looking towards the front of the room. A large blue semi-circle is overlaid on the left side of the image, containing white text.

The sole aim of Vidyanikethan is to provide a broad and balanced spectrum of education, which not only prepares the students in an educational scenario inside the classroom but also assures the overall development of the student.

grow

Sree Vidyanikethan is India's most preferred and trusted educational institution for students of the Telugu States and even beyond. The residential campus, widely spread makes students feel like home away from home. There are six hostel blocks on the whole each with a capacity to provide room to 100 students and are collectively managed by a management promising perfection.

The residential campus, unlike the regular residential campuses assures space, cleanliness, health, hygiene, education, safety and security. The food supplies also are proven to be healthy, hygienic and suitable for the mental and physical growth of the students.

To make it even better, medical aid during emergencies are kept available round the clock.

At Sree Vidyanikethan, we treasure our daughters, their safety is our priority. Utmost care and attention is taken to ensure the well-being and protected life of the children. A healthy ambience is maintained by developing a practice of respecting girls. There are many such guidelines drafted by management to safeguard her rights and interests. Like a mother's embrace, we keep your daughters safe & protected. We provide RFID cards, through which parents can track their children around the campus.

Safety &  
Security for Girls  
– Our Top Priority

Apart from excellence inside the classroom, Sree Vidyanikethan also focusses on the development of its students on the whole. We get our students involved in co-curricular activities like calligraphy, recitation, elocution, essay writing, dramatics, singing and dancing, martial arts, brass band, gardening, nature club, photography and electronics club activities. Field trips, trekking, yoga and meditation are the best forms of recreation we provide to our beloved students. All these have encouraged our students to win numerous state level and national level accolades making the institution even more renowned.

## Outside the classroom

For a right future, Sree Vidyanikethan is undoubtedly the right beginning. As we believe that the role of a school is to nurture students in a fashion that each individual is encouraged to explore and develop their own innate abilities. We recognize the students' potential at an early age and attend to it with close consideration to prepare them right for their bright future.
