The valedictory function of five-day Mission 10X Faculty Empowerment Workshop on “High Impact Teaching Skills” sponsored by Wipro Technologies, Hyderabad was held 26th May 2012 with Prof. M.A.K. Sukumar, Rector, S.V. University, Tirupati as the Chief Guest. In his address he advised the participants to acquire deeper insights into what they learn and widen their scope of knowledge, so that they can transform their training into practice to benefit the students. He emphasized the need to inculcate holistic qualities of personality among students so that they can become good human beings. He advocated the participants to adopt “SMART” and “SWOT” analysis to improve their personality and teaching skills.

Dr. P.C.Krishnamachary, Principal; Prof. K. Delhi Babu, Placement Officer; Sri P. Sai Vijay, WIPRO Mission 10x trainer; Dr. C. Subhas, Dean (Academics); members of faculty and participants were present.

About 32 participants had the benefit of training at the workshop.
