**Care & Warmth
As That Of A
Mother's Embrace**

We believe in perfection beyond incessant escalation

At Sree Vidyanikethan, we are committed for the overall development of the student so that he/she can embrace every such attribute required to compete and succeed in life. Be it classroom teaching, physical education, sports or extra co-curricular activities we ensure holistic development of our students. Since 1993, our students and the institution are honoured with numerous awards and accolades spanning every category of brilliance. It is a proven fact that the ancient literature is the greatest magnificence of the Indian civilization. No other country or society has ever produced such massive literature of knowledge and wisdom.

**India's Finest Co-Educational
Boarding Campus**

One among the top 10 Best International Boarding facilities

In a country brimming with talent and zeal, there is a growing need to nurture and support the deserving generation, through value-based education with moral values and ethics. Sree Vidyanikethan's boarding facility is of outstanding repute for its seamless features. The campus is a home with unparalleled facilities like Spacious AC dormitories, Special nutritious diet, 24x7 CCTV Surveillance and many more. In addition to the technological advancement of the Western world, we inculcate our traditional values to those beliefs so as to give a compelling cutting-edge to our students.

**The Safest & Most
Preferred Institution
For Girls In India**

Safe & Secure

At Sree Vidyanikethan, we treasure our daughters, their safety is our priority. Utmost care and attention is taken to ensure the well-being and protected life of the children. A healthy ambience is maintained by developing a practice of respecting girls. There are many such guidelines drafted by management to safeguard their rights and interests. Like a mother's embrace, our daughters are kept safe & protected. The institution provides RFID cards, through which parents can track their children around the campus.

**Educational Excellence Right
From The Beginning**

We mould the stone to perfect cut diamonds

Sree Vidyanikethan Educational Trust came into being with the intention of providing the best of education and facilities in the country. Over the years, the Trust has been growing rapidly, establishing academic institutions at Tirupati and Hyderabad, offering unmatched standards of academics in various realms of education in demand driven domains such as International School, Degree, Engineering, Nursing, Management and Pharmacy. At SVET various programs are accredited with NBA and NAAC with an 'A' grade.
